## Week At A Glance

### December 4, 2023

## WEEKLY NEWS AND REMINDERS

**Safe Arrival** If your student is away/late for the day, you must call the Safe Arrival phone number (1-888-885-8065) before 9:15am each day. This phone line is 24hrs a day. Please remember to speak clearly and spell your students last name. If you state that your student “might” be away the following day, you will still receive a Safe Arrival phone call. It’s important to report your student’s absence and be specific so that we can account for all our students at AMES. Please note that if you wish not to participate in this program, you may opt out by completing the acknowledgement and permission form.

**School Bus Notifications** All information regarding cancelled or delayed buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)’s bus information website at [www.simcoecountyschoolbus.ca](http://www.simcoecountyschoolbus.ca). Our school is in the Central Zone. Please refer to this website for all delays or cancellations. Please note that ordered lunches are cancelled the days the buses are cancelled due to snow.

**Winter Performances/Sing a-long** Thursday, December 21st our Grades 1, 2 and 3’s will be performing songs at our winter performance. There will be holiday sing-a-long songs in-between performances. Parents/Guardians of Grades 1-3 may attend the 11:45am - 12:45pm show.

**Simcoe Muskoka Family Connexions** is seeking compassionate and skilled professionals with specialized experience to apply to become foster care providers. The goal of this program is to meet the needs of youth through a therapeutically supported parenting approach within a structured environment, where they are supported and guided by a multi-disciplinary treatment team. The youth will remain, or become connected to, their family/kin/community whenever possible. Treatment services will be individualized based on the needs of the youth, and the knowledge of those who know the youth best in collaboration with community partners. This will allow youth to reside in a family-based setting and remain in their home community of Simcoe Muskoka, staying connected to important relationships and supports that may already be in place. The homes approved under this strategy are designed to create clinically informed care plans that will support the youth directly, in addition to the continued support of their care providers. Youth will be supported by a multi-disciplinary team and will be available to implement and design parenting and support to address the needs of the youth. Compensation packages will be offered to experienced foster care providers, as well as clinical support to both care providers and youth. If you or someone you know is looking for more information or would like to apply, contact Simcoe Muskoka Family Connexions by email at [bruna.figliuzzi@familyconnexions.ca](mailto:bruna.figliuzzi@familyconnexions.ca) or call 705-716.4664. - Information provided by Simcoe Muskoka Family
