Reminder: Safe Arrival system for SCDSB schools – call 1-888-885-8065 to report an absence This school year, the Simcoe County District School Board (SCDSB) launched a new Safe Arrival system at elementary schools. This system supports us in continuing to improve our home-to-school communication process and streamlines absence reporting. To report a student absence, call 1-888-885-8065. Callers will be prompted to identify the school before leaving a message. Parents/guardians should include the student's name, teachers' name, dates, and reason for the absence. When schools do not hear from a parent/guardian, and a student is absent, the school will call home to find out the reason for the absence. If you have questions about the system, please contact the school office.
