## WEEKLY NEWS AND REMINDERS

**Safe Arrival** If your student is away/late for the day, **you must** call the Safe Arrival phone number (1-888-885-8065) before 9:15am each day. This phone line is 24hrs a day. Please remember to speak clearly and spell your students last name. If you state that your student "might" be away the following day, you will still receive a Safe Arrival phone call. It's important to report your student's absence and be specific so that we can account for all our students at AMES. Please note that if you wish not to participate in this program, you may opt out by completing the acknowledgement and permission form.

**Snow Day Safe Arrival** On days when buses are cancelled due to inclement weather, the Safe Arrival program continues. For parents/guardians of students who ride the bus on these days, if you receive a call and believe that your child should be in attendance, you are asked to please call the school. Otherwise, the school will assume that you are aware of your child's absence. Families of students who walk to school should call the school if their children are not attending on inclement weather days.

**Grade 8 NPSS Open House** Tuesday, January 16th Nottawasaga Pines Secondary School welcomes grade 8 families from 6-8pm for their open house. It's the perfect time for grade 8 students and their families to tour the school, ask questions, chat with teachers and explore their clubs and teams. Snow day scheduled for January 24th.

# Self-Reg<sup>®</sup> Parenting Program

Facilitated by Simcoe County District  
School Board Child and Youth Workers

Through the use of The Shanker Method<sup>®</sup>, parents/guardians will learn how to engage with their child(ren) in order to help break the stress cycle by creating a positive and healthy home environment. The Self-Reg<sup>®</sup> Parenting Program will help you identify the signs and signals of stress to help you create strategies to stay strong, consistent, and help your child(ren) navigate stress through the power of self-regulation or co-regulation.

Shanker Self-Reg<sup>®</sup> is a valuable and accessible tool for children, youth, and parents/guardians. Educators and mental health professionals from across Canada and around the world are using Self-Reg<sup>®</sup> to address behavioural, emotional, and social problems and improve learning outcomes for all children/youth.
