WEEKLY NEWS AND REMINDERS

Eat Well To Excel Day November 28th Eat Well to Excel is a Simcoe County non-profit community partnership that supports our school's student nutrition program. The funding provided by Eat Well to Excel allows us to supply students with access to healthy snacks during the school day. The pandemic and increasing food costs has caused a significant financial strain on many families in our region and new data shows that 1 in 3 kids in Canada are at risk of going to school hungry. Kids that are hungry struggle to retain knowledge and keep focused throughout the day. They are also at an increased risk of experiencing poor mental health and a compromised immune system. With your support we can maintain and hopefully improve our program to provide a consistent supply of healthy food to our students. You can make a donation by visiting eatwelltoexcel.ca. You can either support the county-wide program or direct your donation to our school. Please include your school name in the comment box to ensure the donation goes directly to your program. A tax receipt will be emailed to you. For more information about Eat Well to Excel visit eatwelltoexcel.ca.

Nepal Day Bazaar Save the date! Our Grade 8 team have been crafting away, preparing for the tenth annual Nepal Day Bazaar. Thursday, December 14th - Nepal Day at Angus Morrison! This year you will find a variety of amazing woodworking products, jewelry, and holiday crafts! All profits from these student companies will be donated to our partner school in Nepal, giving less fortunate children the beautiful gift of education! The bazaar will be open to the public from 9:30am - 3:30pm and in the evening from 5:30pm - 7:00pm. Don't miss our incredible guest speakers: The Mallory Family - The family that conquered Everest at 6:15pm!

Student Pick Up If you are picking up your student for an appointment during our nutrition/recess times, please expect delays as this is a very busy time for our office staff. Students are socializing during this time and may not hear their name being called over the intercom. This is also the case if students are busy playing outside. Please note that students will not be called down to the office until you arrive to pick them up.
