WEEKLY NEWS AND REMINDERS

Safe Arrival If your student is away/late for the day, you must call the Safe Arrival phone number (1-888-885-8065) before 9:15am each day. This phone line is 24hrs a day. Please remember to speak clearly and spell your students last name. If you state that your student "might" be away the following day, you will still receive a Safe Arrival phone call. It's important to report your student's absence and be specific so that we can account for all our students at AMES. Please note that if you wish not to participate in this program, you may opt out by completing the acknowledgement and permission form.

Snow Day Safe Arrival On days when buses are cancelled due to inclement weather, the Safe Arrival program continues. For parents/guardians of students who ride the bus on these days, if you receive a call and believe that your child should be in attendance, you are asked to please call the school. Otherwise, the school will assume that you are aware of your child's absence. Families of students who walk to school should call the school if their children are not attending on inclement weather days.

Lost and Found Please ask your students to check our Lost and Found. All items not claimed before the Winter Break will be donated.
